On behalf of the 2010-2011 Tecumseth Beeton School Council it gives me great pleasure to welcome you to our new school blog. School council is a provincially mandated group of administrators, teaching staff, parents and community members who meet regularly to continue on with providing a quality educational environment for your children.

This year’s council is excited as ever to hold events both inside and outside of our school that will ultimately aid in your child’s development. Fundraising has become a critical key in every school as enrollments decline and costs increase. It is this group of people who strive to develop fun, informative and educational events that we hope you will all plan on attending and through these fundraising initiatives give more back for our school and our community.

This council is a voluntary organization as is many of the other “jobs” that our volunteers involve themselves in. We know time is limited for all of us but we hope that you will be able to find some time throughout the school year, be it a morning or afternoon, weekly visits to the school or whatever time you may have to offer. The joy on the student’s faces when we all work together is priceless.

We wish to invite you to any and all of our council meetings. As well, the minutes for our meetings are always available in the school office and we are also working on including these minutes on the school blog. We look forward to a wonderful year ahead and look forward to meeting you all along the way.

Yours truly

Doug Kowalinski,

Chairperson, Tecumseth Beeton Elementary School Council
